"ACCORDIONS APLENTY"

On May 18th The Ruk Accordion Orchestra performed at the Maple Street Congregational Church in Danvers, MA. The performance included selections by classical composers, medleys of show tunes and solo performances by orchestra members. The concert along with generous contributions from local businesses made the event a successful fundraiser for the "Danvers People to People Food Pantry". A sincere thank you to Faith Bertrand, Dave Rukhelman, Dan Mackowiak and the orchestra members!
