

# MAAA NEWSLETTER OCTOBER 2020

NO. XIIXXXVIXVII

**NEXT MEETING: OCTOBER 18, 2020**

**(MAYBE)**

**“Stay Tuned for Further Details”**

It is our hope and wish this newsletter finds all our members, friends and their respective families healthy, safe and happy.

A great big, sincere **“THANK YOU”** to our Association President, Carmen D’Angelo, for hosting the September meeting at his home.

It was a little cool and windy at times but overall it was an enjoyable afternoon for musicians and guests. We had the play-along and the open mic segments and our audience and the neighbors were entertained with a variety of selections.

If you have anything for the newsletter please forward it to me for insertion – videos, recordings, photos, events, etc are welcomed.

The Ruk Orchestra is seeking a new rehearsal venue. If you have any suggestions please let us know. The Orchestra usually rehearses once a month from 9:30 to 12 on Saturdays and there are approximately 15 members max.

*Please enjoy the photos below from the September meeting.*
