New England Digital Accordion Orchestra made its first appearance at the "Big E" on September 17th. The concert featured numerous and varied selections, vocals, soloists, a Dixieland group, an Irish trio and an accordion duet.

The orchestra's next performance will be December 31st as part of the First Night Celebration in Chatham on Cape Cod.

November Meeting 11/17/19 Our guest at the November meeting will be Paul Ramunni of the NE Accordion Museum. Paul is a great storyteller and musician and his collection of accordions with the stories behind them is fascinating. His book "Accordion Stories from the Heart" captures the fascination and will be available at the meeting.
