

# Massachusetts Accordion Association, Inc.

Ollie Mutch

At the Massachusetts Accordion Association Meeting of August 27th, 2017, much of the meeting was devoted to honoring club members Ollie Much, recently deceased, and his partner Jan Miller.

Some knew Ollie and Jan well, some just knew them from meetings, but all liked Ollie and Jan very much, and in the second part of the meeting played special songs themed to reflect things they knew about them from life and the meetings.

Below are pictures from the meeting. We will miss them both with Jan moving far away but she also knows that *she always has MAAA friends back in MA.*

Jan Miller

Jan brought in a beautiful poster board with many descriptions of Ollie's Life. For those of us who didn't know Ollie well, by the time we read the story and saw the pictures we felt we knew him so much better.
